Description:

Abstract:

The Platts Electric Investor Owned Utility (IOU) Service Territories geospatial data layer contains regions representing the geographic extent of retail service provided by investor owned utilities in North America. Included in the attribute information are revenues, rates, # of customers, and total MWh's delivered for residential, commercial, industrial, and wholesale electricity sales by utility.

Purpose:

The Platts Electric Investor Owned Utility (IOU) Service Territories geospatial data layer has been created to display the geographic extent that utilities deliver electricity.
